### Report of the event

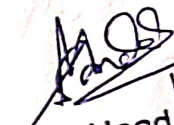

In our ongoing commitment to nurturing the holistic development of our students, our institution has undertaken initiatives to refine their soft skills. The Department of English has taken a proactive step in this direction by organizing a special program centered on the art of "Recitation." The primary objective was to empower students with the ability to recite poems with skill and finesse, allowing them to delve into the inner meanings, intonations, and pronunciation nuances.

On the 12th of April 2023, at 11 am, Room No. 318 came alive with the enthusiasm of 24 students from the Department of English who actively participated in the program. Adding prestige to the occasion, our honorable Officer-in-Charge, Mr. Madhusudan Garain, graced the event with his presence. Mr. Garain shared insightful thoughts on the importance of "Spoken English," underlining the global significance of English in today's interconnected world. He emphasized how the art of recitation contributes to refining essential language skills.

The program was further enriched by the presence of Dr. Partha Pratim Das Choudhury, the Coordinator of the internal Quality Assurance Cell (IQAC), who added his valuable insights to the proceedings.

Guiding the students through various dimensions of "Recitation," Mr. Subendu Mondal and Mr. Nurul Hasan explored the intricacies of syllables, pronunciation skills, and prosody. Engaging discussions ensued between the instructors and the participants, fostering a deeper understanding of the art of recitation. Each student had the opportunity to showcase their skills by reciting poems in English, with both teachers providing constructive feedback to refine their presentation.

As the program concluded, the transformation among the students was evident. They not only demonstrated improved proficiency in reciting poems in English but also showcased a deeper grasp of the artistic and linguistic elements involved. The success of the program underscored its effectiveness in achieving its objectives, contributing significantly to the development of the students' soft skills and linguistic capabilities.
