The institutional Strategic / Perspective plan is effectively deployed:

The institutional strategic plan, meticulously crafted at the outset of each academic year, serves as the guiding blueprint for the college's progress. Under the leadership of the Officer-In-Charge and in collaboration with all departments, cells, and committees, a comprehensive evaluation of the prior year's outcomes informs the strategic plan for the upcoming academic year.

Perspective Plan 2018-19 to 2022 -23

- Teaching Infrastructure Enhancement:** Modernize and upgrade classrooms, aiming for smart classes in 80% of rooms and well-equipped laboratories.
- Student Support Strengthening:** Systematize and expand remedial teaching programs, fostering inclusivity and justice within the student community.
- Staffing Enhancement:** Work towards creating additional teaching and non-teaching staff positions, subject to the Department of Higher Education's processes.
- Staff Development Programs:** Conduct comprehensive staff development programs to enhance skills and knowledge.
- Skill Development Courses:** Explore the feasibility of introducing short-term courses for employability and skill development, empowering students for entrepreneurial endeavours.
- Green Ethos Inculcation:** Further efforts by the IQAC to promote an environmentally conscious culture.
- Academic Collaborations:** Foster more collaborations and faculty exchange programs with esteemed educational institutions through effective MoUs.
- Renowned Scholars Engagement:** Invite scholars from India and abroad to deliver extension lectures for students and faculty.
- International Academic and Cultural Exchange:** Develop programs for academic and cultural exchange with foreign institutions through MoUs.
- Science Outreach Initiatives:** Organize science exhibitions/camps for school students, focusing on the role of science in human welfare.
- Infrastructural Growth:** Ensure growth in classrooms, laboratories, books, computers, and instruments.
- Job-Oriented Training & MoUs:** Establish functional Memorandums of Understanding (MoUs) related to job-oriented training and placement.

13. Sustainable Initiatives: Initiate solar systems, biogas plants, vermicomposting, and rainwater harvesting to enhance environmental sustainability.

14. Community Outreach: Strengthen outreach activities by involving local underprivileged rural children in various college activities.

Implementation Oversight:

The Internal Quality Assurance Cell (IQAC) takes charge of overseeing the strategic plan's implementation. Regular committee meetings ensure the plan's execution, with the allocation of appropriate institutional resources to prioritize mission-level goals.
