Annual Report 2022-23

Date: 30.06.2023

The Government General Degree College at Ranibandh can trace its roots back to the year 2013 when the foundation stone was ceremoniously placed. However, it wasn't until 2015 that this esteemed institution swung open its doors to warmly embrace its first cohort of eager students. Since that momentous inception, the College has unwaveringly committed itself to the noble cause of providing higher education opportunities to the local student community. Right from its very inception, the College has been a witness to remarkable progress on multiple fronts. This growth has been particularly evident in the expansion of its infrastructure, the diversification of academic offerings, and the steady increase in its student enrollment. While we are acutely aware of the substantial challenges that lie ahead, our resolve remains unshaken as we navigate this institution firmly towards its envisioned pinnacle.
