Report on World Environment Day Celebration at Government General Degree College, Ranibandh

Date: June 5, 2019

Venue: Government General Degree College, Ranibandh

Presided by: Officer-in-Charge

World Environment Day is celebrated annually on 5th June worldwide to raise awareness about environmental issues and encourage action for the protection of our planet. Government General Degree College, Ranibandh, also actively participated in this global initiative, organizing various events and activities to mark the occasion. The celebration commenced with an opening talk by Mr. Madhusudan Garain, Officer-in-Charge of the college. He emphasized the significance of World Environment Day and urged everyone to take responsibility for preserving and protecting the environment. A representative from the local forest office graced the event and delivered an insightful presentation on the importance of forests and biodiversity conservation. The talk shed light on various environmental issues prevalent in the region and highlighted the role of individuals and communities in addressing these challenges. Following the talks, a tree plantation drive was initiated both inside and outside the campus premises. All teachers, staff, and students actively participated in this noble endeavour. The plantation aimed to enhance green cover, mitigate climate change, and promote environmental sustainability. The celebration of World Environment Day at Government General Degree College, Ranibandh, was a resounding success, thanks to the enthusiastic participation of the college community. The event served as a reminder of our collective responsibility towards safeguarding the environment for present and future generations. Through such initiatives, the college reaffirmed its commitment to environmental conservation and sustainable development. By organizing such events, Government General Degree College, Ranibandh, strives to foster a culture of environmental consciousness and inspire positive action towards a greener and healthier planet.

Outcomes:

1. Enhanced community engagement in environmental stewardship.
2. Establishment of a greener campus through tree plantation.
3. Promotion of long-term sustainability practices.
4. Integration of environmental education into the college curriculum for lasting impact.

Report on World Environment Day Celebration at Government General Degree College, Ranibandh

Date: June 5, 2023

Venue: Government General Degree College, Ranibandh

Presided by: Officer-in-Charge

World Environment Day was celebrated with great enthusiasm and fervor at Government General Degree College, Ranibandh, emphasizing the importance of environmental conservation and sustainability. The event witnessed active participation from the college community, as well as significant contributions from external partners, resulting in impactful outcomes. Mr. Madhusudan Garain, the Honorable Officer-in-Charge of the college, delivered an inspiring address highlighting the significance of World Environment Day and the urgent need for environmental protection. His speech emphasized the role of individuals and communities in preserving our planet for future generations. A notable contribution to the event came from the local forest office, which generously gifted 100 saplings to the college. This gesture underscored the importance of collaboration between academic institutions and governmental agencies in promoting environmental conservation. The saplings provided a tangible opportunity for the college community to contribute to reforestation efforts and enhance green cover in the region. In addition to on-campus activities, a rally was organized in nearby villages to raise awareness about environmental issues and encourage community participation in conservation efforts. Students, faculty, and staff enthusiastically participated in the rally, carrying banners and spreading messages of environmental stewardship. The rally served as a platform to engage with local residents, disseminate information, and inspire collective action for a cleaner and greener environment. The celebration culminated in a tree plantation drive, where participants planted the gifted saplings in designated areas within the college campus and surrounding areas. The tree plantation drive symbolized the college's commitment to environmental sustainability and served as a tangible action towards mitigating climate change and preserving biodiversity. The event not only raised awareness about environmental issues but also inspired concrete actions towards conservation and sustainable development.

Outcomes:

1. Continued collaboration with external partners for environmental initiatives.
2. Expansion of community outreach programs to engage a wider audience.
3. Integration of environmental themes into the college curriculum to promote education and awareness.

Report on World Environment Day Celebration at Government General Degree College, Ranibandh

Date: June 5, 2022

Venue: Government General Degree College, Ranibandh

Presided by: Officer-in-Charge

World Environment Day was celebrated with fervor at Government General Degree College, Ranibandh, emphasizing the importance of environmental stewardship and sustainable practices. The event witnessed active participation from the college community, including faculty, staff, and students, with notable highlights and outcomes. The event was presided over by Mr. Madhusudan Garain, the Honorable Officer-in-Charge of the college. He delivered an inspiring talk, emphasizing the significance of World Environment Day and the role of individuals in environmental conservation. His address set the tone for the event, rallying everyone towards a common goal of protecting our planet. A significant highlight of the celebration was the oath ceremony for the environment, where all participants pledged their commitment to environmental conservation and sustainable living. Led by Mr. Garain, the oath reaffirmed the college's dedication to protecting the environment for present and future generations. The National Service Scheme (NSS) played a pivotal role in the event, demonstrating their commitment to community service and environmental activism. NSS volunteers actively engaged in various activities, including tree plantation drives, cleanliness campaigns, and awareness sessions on environmental issues. As part of the celebration, a tree plantation drive was organized both within and outside the college campus. NSS volunteers, along with teachers, staff, and students, enthusiastically participated in planting saplings, contributing to the enhancement of green cover and environmental sustainability. The World Environment Day celebration at Government General Degree College, Ranibandh, was a resounding success, marked by meaningful engagements and commitments towards environmental conservation. The president's address, coupled with active participation from NSS and the college community, underscored the importance of collective action in addressing environmental challenges.

Outcomes:

1. Continued engagement in environmental conservation activities throughout the academic year.
2. Strengthening collaborations with organizations and agencies working on environmental initiatives.
3. Integration of environmental awareness programs into the college curriculum to foster a culture of sustainability.
