Report of the Anti-Ragging Committee - Academic Year 2022-23

The Anti-Ragging Committee of Government General Degree College Ranibandh has been proactively engaged in curbing the menace of ragging and fostering healthy interpersonal relations among students both on and off the college campus. With strict prohibition of ragging in place, the committee, comprising esteemed members and representatives from Barikul Police Station, remains dedicated to ensuring a safe and secure environment for all students.

Throughout the academic year 2022-23, the committee implemented several initiatives to achieve its objectives. On 22th August 2022, the Officer-in-Charge took the initiative to counsel all college students, giving particular attention to the freshers. During these counseling sessions, students were provided with vital information about the institution's strong anti-ragging measures. As a result of these efforts, approximately 600 students filled out and submitted their anti-ragging affidavit forms to their respective HODs. Pamphlets and posters were distributed, effectively highlighting the severe consequences of ragging. The proactive approach and awareness campaigns contributed significantly to the absence of any reported minor ragging incidents on the campus throughout the entire year.

We extend our gratitude to all stakeholders, including faculty, staff, students, parents, local authorities, and the police, who have supported and contributed to our endeavors in making the college a better place for learning and personal growth.
