

**Government General Degree College at Ranibandh  
Department of Bengali**

**DEPARTMENTAL ACTIVITY REGISTE**

**Introduction:**

The objective of the department for co-curriculum and extension activities is to develop the all-round personality of the students by providing them a platform to represent their inner skills through various co-curriculum and extension activities. The students of our department are so enthusiastic and energetic in every co-curriculum and cultural & sports activities. The students have been participating in the various sports and cultural activities at Intra-College level competitions. The college provides different opportunities and scope to the students to perform in who has interest in cultural activities. We have department and seminar Hall for the performance of cultural activities. The college provides ample scope for the development of extension activities among students. There is a drastic change in each and every field of the society. By taking into consideration these changes, the students are very much interested to participate in various cultural activities which shall be useful to them in near future. Thus the students are updating their knowledge in every field through cultural activities. In this way the co-curricular activities play a pivotal role for building up the personality of the students. These activities teach them to develop a sense of social and personal responsibility. It also strengthens the confidence of the students to face the challenges in their future life. The students can become academically strong as well as socially and culturally strong. This department shows them the new avenues for their future. The committee of cultural activity has also takes efforts to develop the academic, cultural and social talents of the students through various activities.

The department of Bengali organizes various events and activities for the students overall development.

**Objectives:**

1. Main objective is to create interest among the students about cultural activities.
2. To develop all round personality and social values among the students.
3. Motivation to the students to participate in University level and State Level Cultural Activities.
4. Extracurricular activities increase opportunities for the social interaction for the students.
5. Extracurricular activities provide more knowledge about different cultures.
6. Extracurricular activities create the thought of co-operation very effectively among the students.

## **Participation in Departmental Exhibition Cultural Programme**

College is very Small, so that any cultural program is organized to take the students of all departments as a whole. However, even though the students of our department took initiatives to welcome the new students of the department but it did not happen due to financial constraints.

In 2023, was organised by the special initiative of the students of the 2<sup>nd</sup> & 4<sup>th</sup> semester. Also, the students of our department participated 3 times in the exhibition in Annual Social.

Topic of exhibition was :

<b>YEAR</b>	<b>TOPIC</b>	<b>ACHIEVEMENT</b>
