Brief History of the College

Even after six decades of attaining political independence the peripheral areas of our state are deprived of the lights of higher education. The Ranibandh block is one of those areas. The lofty hills and the sprawling dense forest have made it inaccessible. To respect the rights to education of the people from the periphery of West Bengal a college was established in this block, vide order no. 970–Edn(A)/10M–57/13 dated 30/10/2013 under the auspices of Government of West Bengal known as Government General Degree College at Ranibandh.

The academic activities were inaugurated from the session 2015-2016. In the academic session 2015-2016, college introduced six honours courses in the Humanities stream: Bengali, English, Sanskrit, Santali, History, and Education. Alongside these, a general course in Humanities was also offered. Initially affiliated with the University of Burdwan, the college came under the affiliation of Bankura University from the academic session 2017–18 onwards.

In the session 2016–2017, Physics was introduced as a three-year honours subject. Although the college currently has three departments in the Science stream, only the general courses associated with the Physics Honours are being offered. In alignment with the National Education Policy (NEP) 2020, beginning in 2024, the college has started transitioning to a more flexible and multidisciplinary academic structure.

The college is situated on a sizeable 5-acre campus, featuring a three-storied academic building. The spacious, green, and well-maintained environment—with lawns and gardens—provides a healthy and student-friendly atmosphere that supports the all-round development of learners. Cultural programmes, observance of special days, and socio-cultural events keep students actively engaged beyond the classroom. To ensure the holistic well-being of students, the college also organizes seminars, lectures, workshops, sports events, and various co-curricular activities through National Service Scheme (NSS) and Unnat Bharat Abhiyan (UBA). Separate common rooms for boys and girls are available, along with a canteen catering to both students and staff. Additionally, various scholarships and financial aid are extended to meritorious and economically disadvantaged students.

The college library, located on the ground floor, provides ample access to books and academic resources, fostering a rich culture of reading and learning. Well-equipped laboratories for Chemistry and Physics are available, and a dedicated laboratory for Mathematics has also been established. Two virtual cum smart classrooms, equipped with projectors, internet connectivity, and audio-visual facilities, further enhance the learning experience. The Internal Quality Assurance Cell (IQAC) functions as a dedicated mechanism to uphold and nurture a culture of quality within the institution. A significant milestone in the college's development was achieved

in 2024 when it received accreditation from NAAC, recognizing its commitment to academic excellence and institutional growth.

Located away from urban conveniences, students at the college often encounter significant challenges. Yet, fueled by determination and resilience, they rise above these obstacles with remarkable spirit. Over the past five academic sessions, the faculty has been steadfast in providing unwavering support, dedicated to nurturing a healthy, joyful, and seamless learning environment that empowers students in their pursuit of knowledge and wisdom.

From the Desk of Principal

While visiting a Buddhist monastery in Japan the physicist and the great teacher Richard R. Feynman was told by a Buddhist priest a few words: “To every man is given the key to the gates of heaven. The same key opens the gates of hell.” Quoting these words in his book *The Meaning of It All* Feynman commented: “And so it is with science. In a way it is a key to the gates of

heaven, and the same key opens the gates of hell, and we do not have any instructions as to which is which gate.” The expression of human feelings and perceptions can be summarized as human behavior. And the nourishment, protection and a stable development of human civilization is dependent on human behaviour. Through the adjustment and controlling of the human instincts the expression of

human behaviour can be made beautiful, wholesome. The deeper rooted the acquired practical knowledge and creative values are the more integrated will be the development of the human civilization. To expand the comment of Feynman we can say that a quality education proves to be the ‘key to heaven’. That is why education is called human resource.

To respect the rights of the people of this remote area of West Bengal and to strengthen the base of higher education in West Bengal the Government of West Bengal established this college in 2013.

I, on behalf of all teachers and non-teaching staff of our college, welcome all the students desirous of higher education to join this glorious journey of pursuing the infinitely rich world of knowledge. I urge the students to join in this endeavour of creative production of knowledge, and the blessed, beautiful, adjusted, and integrated growth of human perceptions. With regards,

Madhusudan Garain
Officer-in-Charge

Profile of the College

LOCATION

The college located in Rautara village which is about 4 Km away from Jhilimili. Jhilimili is a nearby comparatively central area and it is located at about 30 kilometers away from Mukutmanipur; 76 kilometers from the district headquarters Bankura, 36 kilometers from the sub-divisional town Khatra, and 20 Km from Ranibandh. This college is 76 Km away from Bankura City and 65 Km away from Jhargram by road.

Google Map Link: <https://shorturl.at/Rww2E>

INFRASTRUCTURE & CAMPUS

The College has a sizeable 5-acre campus with a three storied building. The spacious and sprawling campus of the college with its lawns, and gardens gives a healthy & student-friendly environment keeping in view the all-round development of the students. There are two separate students' common rooms respectively for boys and girls. A healthy canteen is set up for both the teachers and students.

On the ground floor, the college library provides ample opportunities to explore the world of books and knowledge. There are well-equipped laboratories for Chemistry and Physics. Moreover, the college has set up two virtual classrooms and a laboratory for Mathematics too. Two Virtual cum Smart Classrooms with projector, internet facilities and audio-visual facilities are available.

VISION

The vision of the Government General Degree College at Ranibandh is shaped by the recognition that India, with a substantial population and a significant youth demographic, faces a slower growth rate, particularly in rural areas. In response, our college aims to:

1. **Rural Educational Empowerment:** Seize the golden opportunity to contribute to rural India's educational needs.
2. **Character-building Education:** Follow man-making and character-building education to make good human beings suitable to serve the society.
3. **Educational Resources:** Fulfill the diverse educational resource requirements through academic practices, emphasizing social and cultural empathy.
4. **Affordable Quality Education:** Provide accessible and high-quality education, equipping students with knowledge and skills in their chosen fields.
5. **Values and Talents:** Inculcate values, identify hidden talents, and offer opportunities for students to realize their full potential.
6. **Future Leaders:** Shape students into future leaders, entrepreneurs, and exemplary individuals.
7. **Social and Cultural Empathy:** Prioritize social and cultural empathy as a key factor in our academic practices.

MISSION

1. To promote inclusive education, eliminating gender bias and social segregation.
2. To enlighten students about the Sustainable Development Goals, guiding them to renounce anthropocentrism and embrace biocentrism.
3. To imbue students with the essence of Indian cultures and values through a holistic approach to value education.
4. To cultivate a disciplined, charming, and student-friendly environment conducive to learning.
5. To illuminate this underdeveloped region of "JUNGLEMAHAL," which is 'far from the madding crowd' through the 'Midas touch' of education
6. To foster a sense of patriotism, urging the pupils to respect and preserve the rich heritage of the nation.
7. To nourish scientific sensibility among pupils to dispel superstition and promote rational thinking.
8. To transform the institution into a centre of academic excellence through exemplary achievements in higher education.

BACKWARD CLASS (SC/ST/OBC) AND MINORITY CELL

Government General Degree College, Ranibandh, nestled in the ST belt, exemplifies its commitment to the Indian Constitution by ensuring equitable access to higher education for underprivileged groups, such as SCs, STs, OBCs, and Minorities. Through the establishment of the Backward Class Cell, the college aims to empower and assist students from these communities, in accordance with constitutional mandates like Article 340, Article 29, and Article 30. By actively sourcing support from various avenues and promoting participation in career orientation initiatives, the college fosters comprehensive growth and informed career decision-making among its students. The Backward Class Cell engages in various activities to fulfil its objectives, including (1) Communicating with students and motivating them for future planning and career opportunities.

(2) Distributing timely observations and directives from the State Government and UGC regarding SC, ST, OBC and Minority communities.
 (3) Informing students about available scholarships and fellowships.
 (4) Aiding SC, ST, and OBC and Minority students facing personal, social, economic, or educational challenges.

COLLEGE MAGAZINE

Magazine is a vibrant platform for students to express their creativity and showcase their thoughts. With a variety of sections and themes, it highlights the diverse talents and interests of the students. In our college different departments published their departmental wall magazine annually. Here are some glimpses of that.

CULTURAL PROGRAMME

The college has an active social and cultural life. The students of this college organize various cultural events under the guidance of Cultural committee of the college on Republic Day, Saraswati Puja, Independence Day, Teachers' Day, Rabindra Jayanti, Birthday of Pandit Raghunath Murmu etc. They also organize Annual Cultural Festival and the Freshers' welcome each year. A departmental exhibition is also held in every year during Annual Cultural Programme with active participation from students of all the departments of our college. Students are urged to participate to their fullest extent in all social and cultural activity of the college.

SPORTS FACILITY

A large playground is there beside the college campus. Facilities for both Indoor and Outdoor games are available in the college duly monitor administration. Every year Annual Sports is organized in the College where both the students as well as Teaching and Non-Teaching Staffs do participate in different types of events.

STUDENTS' FELLOWSHIPS/SCHOLARSHIPS

Different types of financial aids/ scholarships can be availed by meritorious students representing Minority and /or financially challenged sections of the society. These include:

- (1) Swami Vivekananda Merit cum Means Scholarship
- (2) Indira Gandhi Single Girl Child Scholarship
- (3) Post Matric Scholarship for SC/ST/OBC
- (4) Minority Scholarship
- (5) Chief Minister Relief fund

Every Unmarried girl student can also avail scholarship under *Kanyashree Prakalpa* (কন্যাশ্রী প্রকল্প), a Government of West Bengal funded Development Scheme.

NATIONAL SERVICE SCHEME
Program Officer: Dr. Laxmikanta Murmu

The National Service Scheme is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service.

OUR ACTIVITY

CELEBRATION OF REPUBLIC DAY

Republic Day is celebrated every year on 26th January with patriotic spirit across India. It marks the adoption of the Constitution in 1950 and commemorates the historic 1930 Lahore declaration of independence. In 1965, Hindi was declared India's official language on this day. At our college, the occasion is celebrated with great enthusiasm through a grand parade involving students, faculty, and staff, reflecting unity and national pride.

CELEBRATION OF INTERNATIONAL YOGA DAY

tradition, promotes physical, mental, and spiritual well-being. The date, proposed by PM Narendra Modi at the UN in 2014, marks the longest day in the Northern Hemisphere. NSS Day is also observed on 24th September, commemorating its launch in 1969.

The NSS Unit of Government General Degree College, Ranibandh, celebrates International Yoga Day every year on 21st June with active participation from students, teaching, and non-teaching staff. Yoga, rooted in Indian

CELEBRATION OF WORLD ENVIRONMENT DAY

On 5th June 2025, the NSS Unit of Government General Degree College, Ranibandh, along with Jhilimili Forest Range Office, Govt. of West bengal celebrated World Environment Day with great enthusiasm. The event focused on raising awareness about environmental conservation.

Activities included a campus

cleanliness drive, plantation of saplings, and a student rally promoting eco-friendly practices. Faculty members and NSS volunteers actively participated, highlighting the importance of sustainable living. The programme concluded with a pledge to protect and preserve nature, reinforcing the college's commitment to environmental responsibility.

ORGANIZATION OF BLOOD DONATION CAMP

We hope to make a change in our society on a national level by inculcating thoughts of social

welfare among the people. We wish towards building a beautiful world and spreading the message of environmental preservation, peace and education among today's

youth. We aim to continue creating an impact on the lives of many thereby following our motto- "NOT FOR ME, BUT FOR THE NATION".

NSS Members with NAAC Peer Team

UNNAT BHARAT ABHIYAN (UBA)

Coordinator: Dr. Jayanta Nandi

Government General Degree College at Ranibandh has an active UBA team. We have adopted total 5 villages namely, Banshdiha, Jhilimili, Churku, Ramgar and Muchikata. We have successfully conducted some awareness campaigns: Plastic Free Zone, Water Conservation and

Dengue prevention campaigns in the five villages that we have adopted for Unnata Bharat Abhiyan.

For 'Plastic Free Zone' campaign we have visited those villages and instructed the villagers clearly as how to prohibit single use plastic products like water bottles, coffee cups, plastic bags, polystyrene foam items, etc. and made them understand the

harmful effects of

plastic pollution and its effect on environment and on us. We have also instructed them on how to avoid plastics and look for alternatives like using jute, cloth or paper bags, and suggested to at least reuse them as many times as they can before disposing the plastics off if they had to use plastics.

On the occasion of Ishwar Chandra Vidyasagar's 200th birth anniversary, Government General Degree College, Ranibandh, under Unnat Bharat Abhiyan, organized an awareness campaign against single-use plastic. This initiative supported the nationwide movement launched by the Hon'ble Prime Minister to eliminate single-use plastic by 2020. A morning procession from the college to a nearby village saw enthusiastic participation from students, faculty, and staff. The event concluded in the college conference room, where the Principal delivered a lecture highlighting the harmful effects of plastic and paid tribute to the legacy of Ishwar Chandra Vidyasagar.

On 2nd July 2025, Government General Degree College, Ranibandh, organized a

programme on environmental consciousness under the Unnat Bharat Abhiyan. The event focused on raising awareness about environmental protection and sustainable practices among students and villagers. Faculty members, students, and local residents actively participated, emphasizing the importance of ecological balance and responsible living. The programme successfully promoted the vision of Unnat Bharat Abhiyan by fostering community engagement and encouraging environmentally conscious behavior for a cleaner and greener future.

SEMINAR

To impart "Quality Education" to the students' community and equip the teachers to handle various academic activities more effectively, the college conducts Seminars & Workshops according to the needs of the students, staff, and the teaching fraternity. Besides these, faculty seminar (departmental wise) is being held every month. These programmes offer class room teaching and provide students with opportunities to listen to and interact with the renowned speakers from various fields, to improve their communication skill, and to get exposure to a varied mode of teaching and to enrich their capability. These activities, help generating social awareness among the students too. Students are also encouraged to present papers in seminars. Here are some glimpses of the activities -

Undergraduate Courses

AFFILIATION

The College is affiliated to the Bankura University from the academic session 2017-18. Before 2017-18 the college was affiliated to The University of Burdwan.

SESSION

Usually, the academic session commences from July every year. Classes for each semester usually commence within seven days from the date of completion of semester end examination of previous semester.

COURSE OF STUDY

As per NEP 2020, 4 years B.A./B.Sc. (Honours/ Honours with Research) courses in Bengali, English, Sanskrit, Santali, History, Education, and Physics are offered to the students passing H.S. or equivalent examinations with requisite criteria. Syllabi of these courses are prepared by the Bankura University.

COURSE	MAJOR SUBJECTS	MINOR SUBJECTS
B.A.	BENGALI EDUCATION ENGLISH HISTORY SANSKRIT SANTALI	BENGALI EDUCATION ENGLISH HISTORY SANSKRIT SANTALI
B.Sc.	PHYSICS	CHEMISTRY MATHEMATICS

Department of Bengali

“চিত্ত যেথা ভয়শূন্য, উচ্চ যেথা শির,
জ্ঞান যেথা মুক্ত, যেথা গৃহের প্রাচীর...”

Bengali is one of the most spoken languages in the world and its literary history can be traced back to more than nine hundred years ago though the Bengali language began to assume a distinct form in the 7th century CE. Now it is an opportunity to us to explore this vibrant language and its prolific literature through 3 years undergraduate course framed by Bankura University since academic session 2017-18 following the CBCS curriculum.

The Department started its journey immediately after the first academic year announced by the Government General Degree College at Ranibandh under the affiliation of the University of Burdwan in 2015-16. Far away from the urban amenities the college and the

department had to face lots of hurdles and hardships in its beginning years. Gradually, with a lot of care, we have been able to enrich our department with adequate amenities and resources. In 2019, two students have got first class from the 2nd graduate batch of Bengali Honours under the curriculum of the University of Burdwan. The current graduating students of our department who are under the CBCS Curriculum of Bankura University, are more promising. With the help of all, we are dreaming to build our department richer and more productive.

FACULTY

1. Smt. Snigdha De	Assistant Professor & Head	
2. Dr. Priyanka Dey	Assistant Professor	

Department of English

“Arise! Awake! And stop not till the goal is reached...”

Inspired by the invigorating sloka from Katha Upanishad “उत्तिष्ठतजाग्रतप्राप्यवरात्रिबोधत...”, Swami

Vivekananda inculcated this vivacious spirit in the superstitious, shackled minds to awaken the sleeping soul and usher in a new era emancipated from all kinds of slavery. Since its inception, The Department of English of this college has set its goal of illumining the students of this underprivileged and underdeveloped area by enabling them to comprehend and master the English language and literature and instilling the humanitarian ideals of man-making and

character-building education.

On the one hand, the department focuses on fulfilling all the requisites of the undergraduate (Major and Minor) courses under the New Syllabus prepared by Bankura University on the basis of NEP 2020 comes into effect by taking regular classes and completing the syllabus accordingly so as to brighten the academic career of the pupils, and on the other hand, it inculcates the humanitarian ideals and high moral values deriving the essence from within and without the prescribed texts to foster the ideal forms of life.

FACULTY

1. Nurul Hasan	Assistant Professor & Head	
2. Subendu Mandal	Assistant Professor	

Department of Sanskrit

ॐ
नहि ज्ञानेन सदृशं पवित्रमिह विद्यते।
तत्स्वयं योगसंसिद्धः कालेनात्मनि विन्दति ॥

(श्रीमद्भगवद्गीता ॥4.38॥)

The Department of Sanskrit of Government General Degree College at Ranibandh was created since the establishment of the college, and Honours and Degree Courses in Sanskrit were introduced as per the regulation of the University of Burdwan in the established year.

The department is following the CBCS Syllabus prepared by Bankura University from the academic year 2017-18, the new syllabus has been adopted for NEP 2020 to come into effect from the academic year 2023-2024 and that syllabus will be followed. At present, three

full-time Permanent Assistant Professors are serving the department maintaining its tradition and reputation along with an intake capacity of thirty-five students. The number of students- both honours and Degree courses is increasing in a steady way. The Department is enriched with several books and peaceful environment for both Students and Teachers.

FACULTY

1. Dr. Laxmikanta Murmu	Assistant Professor & Head	
2. Dr. Dibbendu Roy	Assistant Professor	
3. Dr. Jayanta Nandi	Assistant Professor

The Santali Department has started functioning under this college on and from the beginning of the college. Santali is a department which maintains its own tradition. The maximum number of students get admitted to this department and they appear in the class regularly. Similarly, the department imparts its quality education among the students.

We have two teachers in the Department till now. But We teach our students both Honours and Degree Courses about the Santali Language & Literature successfully taking minute care: and we also teach other Austric Languages. Even we encourage our students to participate in Social customs and Law and Cultural activities in Santal Society. We deliver lectures on different topics prescribed in the syllabus and provide the class notes to the students. Besides, the Library facility is available here.

1. Sunil Saren	Assistant Professor & Head	
2. Baidyanath Hansda	Assistant Professor	

Department of Education

“The highest education is that which does not merely give us information but makes our life in harmony with all existence.”

Rabindranath Tagore

The term ‘Education’ is used in many senses. ‘Education’ itself is a subject or discipline. In this sense Education is the study of the process of educating. Education is an interdisciplinary subject. Furthermore, it has its own various principles, ideas, factors, methods, and elements in the spheres of education.

In recent years, Education has become one of the most popular subjects among the students pursuing higher education in India. The Department of Education of our college, with

Undergraduate Honours and Degree courses started functioning from the inception of the college. The Department offers Education as Major, Minor and Multidisciplinary papers for both 4 years honours and 3 years degree students. The academic conditions in terms of teaching-learning process are quite healthy but not adequate to fulfil the criteria of the curriculum under CBCS as well as new syllabus after NEP 2020. Library facilities are available to facilitate the requirements of our students. The Department has successfully taken many initiatives to realize the dream of achieving excellence in education as well as to establish a cordial student-teacher relationship.

FACULTY

1. Susanta Barat	Assistant Professor & Head	
2. Dr. Sanju Das	Assistant Professor	
3. Chayan Adak	Assistant Professor	

Department of History

“A people without the knowledge of their past history, origin and culture is like a tree without roots”

Marcus Garvey

History encompasses a very dynamic range of study i.e. past, present and future. It analyses the present in the light of the past with a view to the future. The study of history provides an opportunity to know the complexities of the present with greater sensitivity. This in turn shapes the mind of the students for broader and better understanding of the world around them. Keeping this thing in mind the department of history is always trying to enable their students to respond creatively to the emerging needs of the society.

The Department of History of our College began its journey from the academic session 2015-16. Besides teaching, the Department organizes class wise seminar, debate, quiz, and Group discussion, so that they can keep pace with the time. The department takes part in all educational and cultural activities. Department is also seeking to encourage holistic participation of its students in college life. We are looking forward to organizing educational trip which would help us in imparting knowledge about history. Above all, the faculty members are always ready to render all possible assistance and guidance to students within and outside the campus as and when required. Consequently, students get through the final examination with flying colours every year and go for further higher studies.

FACULTY

1. Dr. Totan Kumar Das	Assistant Professor & Head	
2. Dr. Ramkrishna Saha	Assistant Professor	
3. Nirmalya Mandal	Assistant Professor	

Department of Physics

From the black hole to the quarks, every exploration is mainly credited to the most popular branch of science named Physics. And as nature is never going to let us relax, physics always will have an opportunity to explore more. In undergraduate studies, students in India are for the first time, take a subject as specialization. Our department offers students to study physics with a great infrastructure and two professors dedicated to the service of the students in every aspect. We have three laboratories with sufficient experiment facilities to

explore and satisfy the curiosities of students. Our students have made a record of 9.03 SGPA in our college whereas the university highest at that time was 9.33. Beside the faculties of our department, there are also experienced professors from other departments such as Mathematics and Chemistry who help the students frequently as per their need. With more cooperation from everyone we dream to make the department bigger and better in upcoming academic year.

FACULTY

1. Kapil Mandal	Assistant Professor & Head	
2. Madhusudan Garain	Assistant Professor & O.I.C.	

Department of Chemistry

“There are occasions that demanded that I should leave the test tube to attend to the call of the country. Science can wait, Swaraj can't.”

Acharya Prafullya Chandra Ray

Chemistry is the science that is interested in studying the composition and physical as well as chemical properties of the matter. Our everyday life has been enriched in an essential way through technologies based on Chemistry.

The Department of Chemistry of Government General Degree College, Ranibandh was started from academic session 2016-17 under the affiliation of The University of Burdwan as a pass course programme three years

academic system. Now it is affiliated to The Bankura University. The Department has well set up laboratory of three individual steams (Organic, Inorganic & Physical). The laboratories are well decorated by Chemicals, Physical instruments, and glass equipments as well as it has a safety gas chamber. The Department is enriched with a number of books and hospitable environment for both students and teachers. The students are also trained to improve their communication skills through seminars, group discussions and project assignments.

FACULTY

1. Dr. Atanu Mahata	Assistant Professor & Head	
2. Dr. Prosenjit Saha	Assistant Professor	

Department of Mathematics

“Without mathematics, there's nothing you can do. Everything around you is mathematics.”

Shakuntala Devi

Department of Mathematics of Government General Degree College at Ranibandh attained its present status of an independent Department in the year 2016. Growing steadily, the Department currently runs General courses in Mathematics affiliated to the Bankura University. Besides this, we also teach various topics in Mathematics to Undergraduate students of Physics Department.

The Department has its own state of the art Computer laboratory with internet facility. Sufficient number of Mathematics text books are available in the Central Library of the college. We believe in providing a friendly and supportive environment for learning to the students so that they can enjoy Mathematics subject. The faculty members of the Department are also engaged in active research work on pure and applied mathematics. To keep abreast of the latest developments, the department keeps on periodically updating and revising its teaching schemes and introduction of new courses on Mathematics.

FACULTY

1. Dr. Ipsita Rajwar	Assistant Professor & Head	
2. Dr. Anirban Chattopadhyay	Assistant Professor	
3. Dr. Hiranmoy Garai	Assistant Professor	

General Academic Information

CODE OF CONDUCT

- (1) Polite and respectful behaviour towards the teachers, the non-teaching staff of the college and fellow students is expected from the college and fellow students is expected from a student of Government General Degree College at Ranibandh.
- (2) Students are required to maintain cleanliness. Keeping the campus clean is their responsibility.
- (3) The College Campus is a plastic free zone. Littering is strictly forbidden.
- (4) The College Campus is a smoking free zone. Smoking is strictly forbidden and consider to be a punishable offence.
- (5) All the students of the college are expected to participate in college activities like sports and cultural functions.
- (6) Authority is not responsible for any loss of personal property.
- (7) Students are not allowed to use Cell phones & other electronic gadgets during a Class Lecture & Practical Classes. They can use mobile & other electronic gadgets in common room and canteen only.

Library

LIBRARIAN

1. Shri Ibrahim Mollick	Librarian	
-------------------------	-----------	---

THE CENTRAL LIBRARY FACILITIES

To create a culture of self-learning and reading habit and to provide access to knowledge and information, the college library is furnished with books, resources of information, magazines, newspapers etc. The college library is fully automated with Koha software. Our library boasts an extensive collection of more than 11,000 books encompassing various genres, subjects, and interests. We strive to provide diverse resources to cater to the academic needs and interests of all our patrons. To spread the horizon of students' minds the library is provided with books for further reading. A spacious reading room accommodating 32 people is designed to help students develop effective study habits. To make the library more student friendly, there is a small digital library for the use of computers and internet connectivity for the students. The library is now automated, and students can access the **Online Public Access Catalogue (OPAC)** for easy search and retrieval of library materials.

College Website: <https://ggdcr-opac.kohacloud.in>

RULES AND REGULATIONS

- (1) Only registered members are allowed to use the library. Members should always bring their membership cards while using the library.
- (2) Two books are issued for first-year students, while three books are issued for students who have completed their first year, each for a period of 15 days.
- (3) If the 15th day falls on a Sunday or holiday, the book should be returned on the next working day without fail.
- (4) A student can reissue a book a maximum of two (2) times.
- (5) A book may be reissued for a second time immediately after its return if the Librarian is satisfied that it is not requested by others.
- (6) No books will be issued during vacations.
- (7) Teaching staff can borrow up to 20 books at a time for a period of 2 months.
- (8) Non-teaching staff can borrow up to 5 books at a time for a period of 1 month
- (9) Any lost, damaged, or mutilated book must be replaced by the borrower responsible for it. If the book is part of a set or series and the volume cannot be obtained individually, the entire set or series must be replaced at the borrower's cost. If the lost book is rare or irreplaceable, the borrower must pay the current published price of the book.

(10) In case of a lost or destroyed library card, a duplicate card may be issued upon payment of Rs. 2/-

(11) No books will be issued to students appearing for exams.

(12) A library clearance certificate will be issued only after the submission of the library cards to the librarian.

(13) A borrower may be exempted from the provisions of any of the above rules only with written permission from the principal.

(14) Rules may be changed as and when necessary, by the authorities.

(15) Students must store their belongings at the Bag Counter before entering the Stack Area & Reading Room.

(16) General Reference Books (e.g. dictionaries, encyclopaedias), Subject Reference Books, Periodicals, etc. are not allowed to be taken out for home use.

WORKING HOURS OF CENTRAL LIBRARY

For Home issue of books:	10.30 AM – 4.30 PM (weekdays) 10.30 AM – 1.30 PM (Saturday)
For Return of Books:	Same as above
Reading Room:	10 AM – 5.00 PM (weekdays) 10 AM – 5.00 PM (Saturday)

Central Library of the College

Extracurricular Activities

In the 21st century, education is evolving beyond traditional academics, now emphasizing cognitive, psychomotor, and emotional development. True education extends beyond classroom walls, aiming for the all-round development of students—intellectual, physical, moral, emotional, and social. At our college, educational and developmental activities are conducted year-round, aligning with the institution’s vision and mission.

The college fosters integrated personality development by encouraging both curricular and co-curricular activities. Students actively engage in debates, quizzes, music, and cultural events such as Nabin Baran (Fresher’s Welcome), Briksharopan Utsab, and Teachers’ Day. National occasions like Independence Day, Republic Day, and Rabindra Jayanti are celebrated with enthusiasm, reflecting a vibrant campus life.

Technology Enabled Teaching-Learning

At Government General Degree College, Ranibandh, technology-enabled teaching-learning is an integral part of the academic environment. To enhance classroom engagement and promote effective learning, all the departments are equipped with projectors and digital teaching aids. These tools support the use of multimedia presentations, online resources, and interactive content, making lectures more dynamic and student-friendly. The college is committed to integrating modern technology into traditional pedagogy, fostering a more inclusive, accessible, and enriching educational experience for all students.

Admission to Undergraduate Course as per NEP 2020

GENERAL INFORMATION

FOR ADMISSION TO UNDERGRADUATE DEGREE COURSES 2025

The National Education Policy 2020 aims to develop a multidisciplinary approach to higher education. This policy will allow students to choose courses from different disciplines. Undergraduate education will be of 3- or 4-years duration, with multiple entry and exit options and resources to provide appropriate certification at various levels. For example, a student may exit right after the first year of graduation with a certificate in hand. If he decides to leave after the second year, the Diploma will be awarded for successful completion of 2 years of study. As usual, a Bachelor's Degree will be awarded after completion of the 3-year course and an Honours degree or an Honours with Research degree will be awarded after the fourth year of completion.

Credits earned at various levels of education will be accumulated in a digitized Academic Bank of Credit (ABC). Students can use their earned credits to resume their studies at that institution for the remaining years of their undergraduate course or enroll in another institution. An Academic Bank of Credit will be established to facilitate the transfer of credit for subsequent admissions to other institutions. So, there will be multiple entry options as well as multiple exit options.

The new curriculum framework will have the following features:

1. Flexibility to move from one discipline of study to another;
2. Opportunity for learners to choose the courses of their interest in all disciplines;
3. Facilitating multiple entry and exit options with UG certificate/ UG diploma/ or degree depending upon the number of credits secured;
4. Flexibility for learners to move from one institution to another to enable them to have multi and/or interdisciplinary learning;
5. Flexibility to switch to alternative modes of learning (offline, ODL, and Online learning, and hybrid modes of learning).

CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMME

New Curriculum and Credit Framework for Undergraduate Programme, UGC 2022 (as per NEP 2020) for 4-years undergraduate programme(s) with “UG Degree Programmes with Single Major” only will be maintained for the academic session 2025-2026.

As per New Curriculum and Credit Framework for Undergraduate (UG) Programme, UGC 2022 (as per NEP 2020), the Undergraduate Degree Programmes are of either 3 or 4-year durations, with multiple entry and exit points and re-entry options, with appropriate certifications such as:

1. A UG certificate after completing 1 year (2 semesters) of study in the chosen fields of study, provided that a vocational course (additional 4 credits) must be completed during the summer term by the students who will exit the programme after securing 40 credits. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven (7) years.
2. A UG diploma after 2 years (4 semesters) of study provided that a vocational course (additional 4 credits) must be completed during the summer term by the students who will exit the programme after securing 82 credits. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven (7) years.
3. A bachelor’s degree after a 3-year (6 semesters) programme of study,
4. A 4-year bachelor’s degree (Honours) after a 4-year (8 semesters) programme of study. If the student completes a rigorous research project in their major area(s) of study in the 4th year of a bachelor’s degree then (Honours with Research*).

*Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline.

BASIC TERMINOLOGY OF NEW SYLLABUS

1. **Semester** is a period of six months beginning from July to December (Odd Semester) and January to June (Even Semester) of each academic year containing at least 90 actual teaching days.
2. **Credit** means the unit by which the course work is measured. It is equivalent to one hour of teaching (Lecture or Tutorial) or two hours of Practical work/Field work per week.

TYPE OF COURSES

(1) Major Course of 4 Credits each: Major Course is the subject of focus and the degree will be awarded in that subject. Major Course Contains 14 Discipline Specific Core (DSC) papers and 10 Discipline Specific Elective (DSE) papers. Students should secure $14 \times 4 = 56$ credits through core courses and $10 \times 4 = 40$ credits through elective courses in the major course.

(2) Minor Course of 4 Credits each: Minor course helps a student to gain a broader understanding beyond the major course. For example, if a student pursuing a Education major, he/she can take Bengali/English/History/Sanskrit/Santali as a minor course. Minor course contains total 8 papers i.e. $8 \times 4 = 32$ credits in four years of study and each semester have one minor paper.

(3) Multidisciplinary Course of 3 credits each: All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines like Natural and Physical Sciences; Mathematics, Statistics, and Computer Applications; Library, Information, and Media Sciences; Commerce and Management; Humanities and Social Sciences etc. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12th class) in the proposed major and minor stream under this category. The multidisciplinary course contains total of 3 papers i.e. $3 \times 3 = 9$ credits. In first three semesters, each semester has one multidisciplinary paper.

(4) Ability Enhancement Course (AEC) of 2 Credits each: Students should achieve competency in the English language and a Modern Indian Language (MIL) which will emphasize language and communication skills. It contains 2 English papers and 2 MIL papers for first four semesters. A total of $4 \times 2 = 8$ credits are allotted for AEC.

(5) Skill Enhancement Course (SEC) of 3 Credits each: These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. Students choose their SEC papers from major discipline. A total of $3 \times 3 = 9$ credits are allotted for SEC. One paper of SEC is allotted for the first three semesters each.

(6) Value Added Course (VAC) of 4 Credits each: Courses under Value Added are Understanding India, Environmental Science/Education, Health & Wellness, Yoga education, sports, and fitness, Digital and technological solutions etc. According to the curriculum structure of the Bankura university, a total of two above mentioned courses should be taken in the first two semesters. A total of $4 \times 2 = 8$ credits are allotted for VAC.

(7) Summer Internship Course of 2 Credits / 4 Credits: All students will also undergo internships/ Apprenticeships in a firm, industry, or organization or Training in labs with faculty and researchers in their own or other HEIs/research institutions during the summer term. Students who wish to exit after 2nd semesters or after 4th will undergo a 4-credit work-based

learning/internship during the summer term in order to get a UG Certificate or UG Diploma respectively. 3-year degree or 4-year honors students are required to do an internship course of 2 credits.

Government General Degree College, Ranibandh welcomes the students for admission in 3-years or 4-years B.A. / B.Sc. (Honours/Honours & Research) courses. Students who have passed Higher Secondary, ISC, CBSE, or its equivalent examinations belonging to the category of Boards approved by the Bankura University are eligible to apply. The college has 02 (Two) streams – Science and Arts - offering courses on B. Sc. course in Physics and B. A. course in Bengali, English, Sanskrit, Santali, History and Education. The classes will be held in the day section.

ELIGIBILITY RULE:

1. Candidates who have passed H.S. or its equivalent examination (10+2 level) in 2025, 2024 and 2023 from any recognized Board/Council/University are eligible for application.
2. (a) Students who have passed Vocational Engineering and Technology (with pass marks in Mathematics) equivalent to 10+2 or equivalent level are eligible for admission to Science or Arts in the First Semester. Those who have passed without Mathematics or without securing pass marks in Mathematics are eligible for admission to Arts.
(b) Students who have passed Vocational Agriculture equivalent to 10+2 or equivalent level are eligible for admission to Science or Arts.
(c) Students who have passed Vocational Business and Commerce equivalent to 10+2 or equivalent level are eligible for the admission to Commerce or Arts.
(d) Students who have passed Vocational Home Science equivalent to 10+2 or equivalent level are eligible for admission to Arts.
3. A candidate choosing a subject as Major one must have that particular subject in H.S. or (10+2) level and also the candidate must Pass in that subject in Class (10+2) Exam.
4. A candidate choosing Physics as Major Subject must have pass marks in Physics and Mathematics in H.S. or (10+2) level.

SEAT DETAILS AND SEAT BREAK-UP

Format showing the number of seats being offered for SC/ST/OBC-A/OBC-B/EWS reservation for the academic year 2025-2026.

[As per The W.B. State Higher Education Institutions (Reservation in Admission) Act, 2013 duly circulated under notification of Higher Education No. 07-Edn (U)/IU-89/13 dt. 02.01.2014 and BCW department Memo No. 959-BCW/MR-52/2019 dated 18.05.2023]

B.A. & B. Sc. Courses

Sl. No.	Major Subjects	Allocation of Seats in Academic Year 2025-2026						Total
		General	SC	ST	OBC-A	OBC-B	EWS

Examination & Evaluation

EXAMINATION, QUESTION PATTERN, RESULT, GRADING SYSTEM, REVIEW METHOD ETC. WILL BE DETERMINED AS PER THE STATUTE OF THE UNIVERSITY.

INTERNAL ASSESSMENT

Prior to sitting for the university exam, students must engage in Internal Assessment, which is a continuous evaluation based on their performance in the Internal Examination. In accordance with University guidelines, the College Examination Committee supervises all internal assessments, comprising tutorials, term papers, reports, seminar presentations, class tests, or a combination thereof, distributed evenly throughout the study period. The modalities of such assessment be recorded and documents will be preserved by the respective college and those must be placed before any committee or team constituted by the university for verification purpose.

Some Glimpses of Internal Examination
