Institutional Commitment and Way Forward

SEVA FIRST – INNOVATION CHALLENGE

The College seeks to encourage students to apply creativity, knowledge and problem-solving skills to address local needs through practical, inclusive and sustainable innovations.

01

IDENTIFY LOCAL NEEDS

Recognise relevant social, environmental and developmental challenges in the campus and surrounding community.

02

DEVELOP PRACTICAL SOLUTIONS

Promote ideas that are feasible, affordable, inclusive and responsive to identified needs.

03

FOSTER RESPONSIBLE CITIZENSHIP

Strengthen student initiative, collaboration, community engagement and a spirit of service.

INNOVATION FOR THE COMMUNITY • SERVICE FOR THE NATION
